Silicone exemption declaration,

To: Whom it may concern

We, ARTROM STEEL TUBES S.A., located in Draganesti Street no 30, Slatina, seamless tube supplier, declare based on our own internal knowledge/assessments, on information available provided by our suppliers of raw materials and on raw materials inspections/tests that our products and their packaging are **silicone-free**.

We don't use any agents, parts or components containing silicone in the manufacturing of our products and inside/outside of our product is silicone free.

Magdalena Popescu

Director of Quality, Environment & Integrated Management System

"We regularly ask to our upstream suppliers to provide us information regarding compliance with their relevant legislation. Information regarding silicone – free regarding our product, raw material and substances used is based on our best knowledge.

We do not assume any warranty or liability for factors behind our knowledge and control".
