CALIFORNIA PROPOSITION 65 DECLARATION

Dear Valued Customers,

We, ARTROM STEEL TUBES, located at Drăgănești Street, No. 30, Slatina, Olt, Romania hereby declare that the steel tubes produced by us do not contain any chemicals listed under the California Safe Drinking Water and Toxic Enforcement Act of 1986, known as Proposition 65.

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects, or other reproductive harm. This list, which is updated at least once a year, currently includes over 900 chemicals, and can be found at: [January 3, 2025 List of Proposition 65 chemicals](#)

As of the latest update dated January 3, 2025, and to the best of our knowledge, the materials and products provided by ARTROM STEEL TUBES do not contain any of the chemicals listed under Proposition 65. We continuously monitor the Proposition 65 chemical list and related regulatory updates, and if any changes occur that impact our products, we will take immediate and appropriate actions to ensure continued compliance.

This declaration is made based on our current knowledge and the information provided by our raw material suppliers. Should further relevant information become available, we will revise this declaration accordingly.

Director of Quality, Environmental & Integrated Management System

Popescu Magdalena
