### **Compliance with the Toxic Substances Control Act (TSCA), as enforced by the U.S. Environmental Protection Agency (EPA)**

ARTROM STEEL TUBES , located at Draganesti Street no 30 Slatina, Olt County, Romania, hereby certifies that the products supplied by our company are fully compliant with the requirements of the Toxic Substances Control Act (TSCA) and its amendments.

Specifically, we confirm that our products (steel pipes) do not contain and are not manufactured with any of the substances prohibited or restricted under the EPA Final Rules issued in 2021, which target substances classified as: PBT chemicals (Persistent, Bioaccumulative, and Toxic), as defined by the U.S. EPA. The PBT substances covered by the EPA final rules include:

- Decabromodiphenyl ether (DecaBDE);
- Phenol, isopropylated phosphate (3:1) (PIP (3:1));
- 2,4,6 -Tris(tert-butyl)phenol (2,4,6-TTBP);
- Hexachlorobutadiene (HCBd);
- Pentachlorothiophenol (PCTP).

Based on our current knowledge and the technical data sheets of the raw materials used, we certify that none of these substances are present in any of the products manufactured and delivered by ARTROM STEEL TUBES .

Our company operates an integrated management system for Quality, Environmental Protection, and Occupational Health & Safety in accordance with ISO 9001, ISO 14001, and ISO 45001, ensuring that our products are safe for their intended use and that their environmental and health impact is minimized.

Director of Quality, Environmental & Integrated Management System  
Popescu Magdalena
